RE: 07-3W0604

On Thursday April 7th we submitted a bid for contract no. 07-3W0604 and were the low bidders. I sent our DVBE Summary on Monday, April 11th and your department received it on Tuesday morning April 12th.

In reviewing the online files today I noticed that the Bid Summary results show a 5% DVBE Goal for this project. The advertisement for this project on the Office Engineer stated 3% DVBE Goal which is the required goal for a contract with an Engineer's estimate over 1 million dollars. This project has an Engineer's Estimate for \$1,180,000.00 our bid was \$1,091,482.56 our total claimed participation is \$41,585.21 (3.8% of our bid). We based and submitted our DVBE participation on the project advertisement of 3% DVBE Goal.

Immediately after noticing the discrepancy between the Special Provisions and the project advertisement I called your office to find out what the correct DVBE percentage is and to ask to resubmit our forms if the 5% is indeed required. We at Velarde Concrete are requesting that our bid be accepted as the lowest responsive bid as submitted since Caltrans advertised conflicting information. An update DVBE Summary reflecting 5.2% is attached.

Sincerely,

Maria Velarde
